ROOSEVELT WANTS TO BE LET ALONE, HE SAYS.

Oyster Bay, June 20.—Sunday was Theodore Roosevelt's first day of rest in months. The return to privacy is a delight to him and he made it known that it is his desire to drop just as far out of public sight as the public will let him. In the autumn he will make a tour of the country.

Col. Roosevelt went to Christ church in Oyster Bay Sunday morning and took a long walk in the afternoon. Senator Lodge and representative Longworth were at Sagamore Hill all day and later in the day secretary Meyer came for a visit.

It was after 6 o'clock last night when Col. Roosevelt returned from a walk of several miles with Mrs. Roosevelt. He replied a group of interviewers waiting for him and headed for them.

"Not one word to say," he began before a question had been asked. "If I received you it would mean that everyone would come here and I should have no peace or privacy. I shall be at my editorial office in New York twice a week and any statement I have to make will be given out there."

NEGROES CELEBRATE THE ANNIVERSARY OF EMANCIPATION.

The negroes of the city celebrated the anniversary of their emancipation with proper ceremonies at Woodlawn park on Sunday. This is to the negroes what July 4 is to the average American, and in "the black belt" is made a great celebration, sometimes lasting several days.

SAN ANTONIO WOMAN SEEKING HER HUSBAND

Mrs. C. M. Smith seeks information about Mrs. Killed in Mexico; Once Lived in El Paso.

Doubtful that he is her husband, Mrs. C. M. Smith, who at present lives in the city, called at the office of sheriff Lindsey yesterday to enlist his services in determining if the man said to have been killed by a motor car in El Paso is her husband.

The report of the accident says that the man's name was either C. F. or P. C. Smith. Mrs. Smith says that her husband's initials are C. M. He was once a member of the police force in San Antonio and left here for El Paso several years ago. It is understood here that he became quite wealthy since his residence in El Paso and these circumstances seemed to have established the identity with the man Smith who used to live here.—San Antonio Express.

HERALD'S MAN-BIRD TO MAKE EUROPEAN FLIGHTS.

RANGER COMPANY IS MOVED FROM YULETA.

Maria is Made the Headquarters of the Organization Recently Stationed in This County.

Austin, Tex., June 20.—Adjutant general Newton announces that the headquarters of company B, of the Rangers, under the command of Capt. Bailey, had been removed from Yuleta, in El Paso county, to Maria, in Presidio county.

Capt. Bailey, of the company, has reported that his company has left Sanderson, where it had been called during the Southern Pacific strike troubles, and returned to Maria. He said the situation at Sanderson had calmed down, that there had never been any danger of any serious trouble and that while a number of the local officers objected to having the company of rangers brought to Sanderson, that the rangers left with more friends than they had when they came to Sanderson.
